The quality you need, in the tools you want!

Cordless Rechargeable 132 LED Underhood Light

The **TLWL132R** gives you the freedom from power cords and promotes safety in the workshop. This super bright cordless LED light provides hands free lighting of the entire engine compartment. The workshop is a tough environment. The TLWL132R withstands this rigorous environment with a shatterproof – scratch resistant reflector lens maximizing the light output. A detachable anodized aluminum hood bar incorporates rubber coated hood grips for gently and securely attaching to auto/truck hoods ranging from 51" to 81" in width.
